

The Wauconda Township Republican Club is proud to announce the endorsement of Bonnie Thomson Carter for Lake County Board. Bonnie has been a terrific Lake County Board member for Wauconda. She has also worked very hard as the Forest Preserve President. Bonnie is a tireless worker who will work with Republicans and Democrats if it will help the community. Because of her energy and drive we endorse her in the primary election on February 5th.

The Wauconda Township Republican Club is also proud to announce that we are endorsing Steve Greenberg for U.S. Congress. Steve is a family man who supports lower taxes and has made a “No Pork” pledge. Steve has lived in the area for many years and is well aware of our local issues. His voice in the U.S. Congress will stand in strong support for these issues as well as any of the national issues which concern us all today.
